

## **Financing for the RV Campground Owner**

### **PURCHASE EXPAND REFINANCE**

*You have made the decision to purchase an existing campground or to build a new facility or you may want to refinance your existing property or to expand it by adding new features.*

*Now you must determine the most appropriate way to secure the funding.*

#### **FINANCING SOLUTIONS**

*In these days that emphasize and stress cash conservation there are financial alternatives available to meet your objectives. And these alternatives can be arranged through Everest Financial Network. We can provide the appropriate financing package to meet your objectives. The financing for your campground can include term loans, revolving lines of credit, real estate loans, equipment financing, franchise start-up and expansion loans, SBA Loans and Green Initiatives Loans.*

#### **EVEREST FINANCIAL NETWORK**

*Everest and its affiliates have arranged over three billion dollars of lease and loan financing for our customers. The portfolio of completed transactions includes a wide variety of equipment and real estate for municipal, commercial, industrial, and agricultural clients including campground financing.*

#### **CAPITAL ACCESS**

*Everest's access to capital will facilitate today's campground needs and facilitate planning for tomorrow's campground projects. Our underwriters provide financing for new campground development, upgrade and add-on financing without limitation to the financing amount.*

#### **PROJECT SIZE**

*Project and equipment financing can be as low as \$100,000 for a simple campground enhancement to over \$15,000,000 for a large campground acquisition or for a multi-location series of acquisitions. Soft cost financing of consulting, engineering, installation, and transportation can be included in the financing.*

#### **APPLY NOW**

*Everest is available to assist, guide and close your financing request in the quickest possible time with the most competitive terms. The financing process starts with the submission of the standard application material.*
